WELCOME TO 64TH IDA MSDC Annual Conference 2025

It is with great honour and heartfelt enthusiasm that I extend a warm invitation to each one of you to the 64th Maharashtra State Dental Conference, to be held in the culturally vibrant and historically significant city of Chhatrapati Sambhajnagar on the 21st, 22nd & 23rd of November, 2025.

This conference is more than just an event - it is a celebration of our shared journey in dentistry, a platform to ignite innovation, and an opportunity to build bridges of collaboration across specialties, cities, and generations. Guided by the theme "**Innovate • Elevate • Collaborate**," we aim to craft an experience that reflects the evolving needs of modern dental practice while remaining rooted in scientific integrity and clinical excellence.

Our team has been working passionately behind the scenes to ensure that this conference sets new benchmarks - from thought-provoking keynote sessions and evidence-based workshops to interactive panels, live demonstrations, and avenues for young researchers and practitioners to shine. We are especially proud to host this milestone event in Chhatrapati Sambhajnagar, a city that blends tradition with progress - much like our own profession.

Whether you are a student just beginning your journey, a clinician in active practice, an academician shaping future minds, or a researcher pushing boundaries – this conference has something for you. It will be a melting pot of ideas, insights, and inspiration.

I take this opportunity to acknowledge the relentless commitment of my fellow committee members, whose collective vision and teamwork have laid the foundation for what promises to be an unforgettable event. I urge all members of the dental fraternity to block your dates, spread the word, and gear up to register early. Let's come together to make this conference a vibrant reflection of our strength, knowledge, and unity.

Looking forward to welcoming you to Chhatrapati Sambhajnagar with open arms and an open heart.

Warmest regards,
Dr. Archana Ganvir
